## Wethersfield - Nature Walk

### GMCT's Wood Parcel

**Saturday, June 1 – 10:30am - 12:00pm**

Bring your young naturalists (ages 4-6) for a short hike and nature activity on this Great Meadows Conservation Trust property. We will cross the shiny bridge over the brook, follow the trail through the woods, pass the turtle pond, and follow the trail along the marsh. The route will skirt the edge of the cornfield, site of the original "Pyquag" Native American summer camp, to the irrigation pond and back. We'll have a table set up with stickers and nature activities..

**Leaders:** Jim Woodworth and Ali Crooker
